

CHILDRENS NURSERY

Edinburgh, 26.11.2020

To whom it may concern,

Katie has been working at Childsplay Nursery for the last year.

Katie is extremely professional, reliable and knowledgeable. Katie has formed very close relationships with the children and her manner is very caring, supportive and enthusiastic. Katie is a very well spoken person with immaculate manners.

Katie holds very high standards of the work ethics and has become a trustworthy member of our team.

Katie has got an excellent rapport with all the Parents/Carers who value her work highly.

She has contributed to our planning and teaching methods by standing out as great example to follow.

Katie's attendance has always been excellent and she has always been willing to extra mile to help out whenever needed.

I recommend her wholeheartedly for a position within your company.

She will be greatly missed and we wish her all the best in her future career.
