

Dear Family,

My name is Katie, and I am a caring, polite, and dedicated 30-year-old professional with a passion for working with children. I have over four years of experience as an Early Years teacher at an international school in Milan, and I have had the pleasure of working with children from a variety of backgrounds.

In addition to my teaching experience, I have also been an au pair in Sardinia, where I cared for two young girls, aged 2 and 4, and I worked as a part-time nanny in Scotland while attending college, looking after three children, aged 2, 5, and 7 (and their cute little springer spaniel dog). These experiences have helped me develop a strong understanding of children's needs at different stages of their development, and I am confident in creating a nurturing and engaging environment where they can thrive.

I am looking for the opportunity to work as a nanny for a family in Rome, as I am planning to relocate there for personal reasons. I am truly excited about the prospect of becoming a part of your family and helping your children grow, learn, and play in a safe and loving environment.

I take great pride in my ability to connect with children and families, and I would be honoured to support your family in any way that I can. Please feel free to reach out to discuss how I can be of service to you and your children.

Thank you for considering me as a potential nanny for your family. I look forward to hearing from you!

Warm regards,
Katie
