### **TEACHER/ TUTOR IN ENGLISH AND GERMAN**

2018-2023(present)

Helping my students with various age groups, from six years old to 18+ to improve their learning performance and achieve educational & academic success with my engagement and professionalism at public and private educational sectors, corresponding to my main teaching delivery which was in-person and in the classroom as the German Language and Subject Teacher and English Tutor. With my motivated, leading and interesting teaching methods, my students could learn well and make progresses. I can quickly and empathically understand the learner's needs, weaknesses and strengths. My valuable teaching abilities allow me to analyze and capture clear insights into the learning styles of each student and adapt my lesson delivery conductivity into it.

I gained over 4 years of teaching experience in teaching German language and English at Schuelerhilfe and Superiornachhilfe in the in-person teaching presence with the international outreach of various ethnicity backgrounds and students all over Europe and other continents . Moreover tho this main profession in person , some months later I was occupied to give individual lessons on AmazingTalker and more tutoring platforms.Perpetually, I leveled up my teaching career in Asia, Mongolia at the Elite School and at the National University of Mongolia in the Capital City of Ulaanbaatar where untaught to medical , management and biochemistry faculty students.

Generally speaking, in both educational institutions there, I got to work with children , teens, young adults(overall all age groups ) by creating and inducting my lesson plans , researching and providing the best learning materials suitable for each level type of the belonging learning group. I am reliable , responsible and am greatly mastering problem- solving skills (if any occur)
