*Home of the Dragons*

Tempe Elementary School District

Jennifer Whittington, Principal  
Dr. Traci Williams, Psychologist

To Whom It May Concern,

I am delighted to write this letter of recommendation for Samantha \_\_\_\_\_ who has served as a dedicated early childhood educator at Getz since July, 2024. As the principal of our program, I have had the pleasure of working closely with Sam and witnessing firsthand the positive impact she has had on our students, families, and staff community.

Sam is a compassionate, patient, and highly capable educator who possesses a natural talent for working with young children. In our preschool classrooms, she created nurturing environments where children felt safe, respected, and encouraged to explore and learn. Her ability to balance structure with creativity, and empathy with consistency, is a rare and valuable quality in the field of early childhood development.

As she now explores the opportunity to become an au pair, I can say with full confidence that Sam brings the ideal combination of professional experience and personal warmth to the role. She has managed groups of children ages 3-5, collaborated closely with families, and handled daily routines with efficiency and care. She also brings excellent communication skills, cultural sensitivity, and a strong sense of responsibility—traits that will serve any host family well.

Any family would be incredibly fortunate to welcome Sam into their home. She will not only be a reliable and loving caregiver but also a positive role model and supportive presence in a child's life.

Please don't hesitate to contact me at \_\_\_\_\_ if you would like additional details about Samantha Fernandez' experience or qualifications.

Sincerely,

**Jennifer Whittington**  
Principal, Getz School
