

To Whom it May Concern,

I am writing to recommend Sami for an au pair position. I have known Sami for many years, beginning when she was a young teenager working as a mother's helper, and continuing through her time as our trusted babysitter and driver for my children during their middle school and high school years.

Sami has always demonstrated maturity and responsibility. She approached every task—whether helping with homework, transporting my children to activities, or caring for them at home—with reliability and care. She never hesitated to pitch in, whether that meant staying late when needed, offering extra academic support, or handling last-minute schedule changes.

I have complete confidence that Sami will excel as an au pair. She brings a combination of responsibility, kindness, and dependability. Any family would be fortunate to welcome her into their home.

Please do not hesitate to contact me if you would like any further details about my experience working with Sami.

Sincerely,
Casey
